

Lydden Primary School

At Lydden, we take our role in safeguarding very seriously as we believe all children have the right to feel and be safe.

Designated Safeguarding Leads in our school

Lydden Primary School is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. We have a number of policies and procedures in place that contribute to our safeguarding commitment, including our Child Protection Policy available in the school office, staffroom and the school website. We actively support the Government's Prevent Agenda to counter radicalism and extremism.
